It is only when you skimp on the quality of the cheese that when cooking or melting you will not get the best results. I mean that in one sense we see things fairly when we see them. When Cornwell focuses on crime and forensics she's great, but she suffers from the same syndrome that James Patterson does: they write badly and stiltedly about relationships, while insisting on including way too much awkward nuance and far-fetched dialogue in their novels, a habit that bulks up the pages but slows down the plot. The Movement of Language by Friedmar Apel is a fundamental study in this regard. Madani, R.
