Sounds are used to give feedback to the player, so even - especially - when the player gives an input and nothing happens, there should be a sound to acknowledge. I think many first-time authors dream of having a best-seller as soon as the book comes off the press, and we can spin-off into daydreams about all that would follow: tons of media, accolades, keynote speaking gigs.

### **The Last Supper & A Few Sweet Recipes**

We are pretty sure the answer is no.
