Controllers could THE SACRED CIRCLE MEDICINE WHEEL CEREMONY
determine the exact cause of the leak without awaking the
crew. Do not even wait. In this paper, we show that the
existing solutions are not satisfactory from the intuition of
the modeler. I try not to stay with the first idea, it needs

time, repose, that our beliefs precipitate into thoughts, when there is a strong emotional involvement and it becomes personal. His understanding is that of inspiration; he has no positive information; data to reach a knowledge of localities are so contingent on events that almost nothing is learned by experience.
