Excellent work. Science Confronts the Paranormal.

You should listen to your wife. But I digress, let's talk about Dog Gone Ghost. Reba McEntire. Reading the two together, or against one another, then, allows us to see the dimension of transience undercutting the apparent solidity and timelessness with which scopic regimes promise us access to the real. Do you mind if I quote a couple of your articles as long as I provide credit and sources back to your weblog. Showing Rating details.

True self-esteem and true humility arise out of that realization. We sit together, the mountain and me, until only the mountain remains. And that has always been reason enough to pursue you in ways I have never pursued a woman: with deliberate care and a subtle persistence.
