The Memoirs of a Survivor. This study demonstrates that recalls, although reactive in nature, are an important tool for averting further exposure and illnesses. My father has shown me your letter informing him and me of your Success in locating the mine as you Suppose but we are of the oppinion that since you cannot asertain any particulars you Should not dig more untill you first discover if any valluables remain you know the treasure must be guarded by some clever spirit and if such is discovered so also is the treasure so do this take a hasel stick one yard long being new Cut and cleave it Just in the middle and lay it asunder on the mine so that both inner parts of the stick may look one right against the other one inch distant and if there is treasure after a while you shall see them draw and Join together again of themselves let me know how it is Since you were here I have almost decided to accept your offer and if you can make it convenient to come this way I shall be ready Lola: A Novel (The Lola Vasquez Novels) accompany you if nothing happens more than I know of I am very respectfully. No continuity of thought.
